Notice 9

- 1) Tomorrow (14/11) will be “Little Bees” Newcomers Welcoming Ceremony. All members should wear neat summer uniform (existing members must put on their ties) and assemble at school at 9:15 a.m.
- 2) All children should return the book folder together with the books and reading report to the class mistress on 16/11. If the books are overdue, students must stop borrowing until they are returned.
- 3) “St. Monica's Sports Day” will be held at school on 20/11 (Fri) in each grade with a range of sports events. Children are required to put on neat sports uniform, bring along their little backpacks and homework folders to contain the necessities. The time of returning to and leaving the school will be as usual.
- 4) The kindergarten had participated in the “Dress Casual Day” organized by the Community Chest of Hong Kong earlier and raised a total of HK\$20250.00. We would like to express our gratitude to the generous support of parents. A copy of the bank-in slip is printed on the back page of this notice.
- 5) In this week, we will distribute the teaching materials from “Sun Ya Publications (HK) Ltd.”. Parents who have ordered should note that.
- 6) The kindergarten is committed to continuously promoting the importance of healthy diet to students, staff and parents, so as to establish a healthy eating environment and encourage everyone to develop good eating habits in life. In view of this, we continue to participate in the “StartSmart@school.hk” campaign organized by the Department of Health this year. It is a health promotion program based on pre-school institutions. The project targets at 2 to 6 years old pre-school children and encourages as well as supports pre-school institutions, parents and child care providers through effective resources. In this way, it creates and strengthens a favorable environment and culture of healthy diet and regular exercise on campus and at home, as well as helps children establish good habits of healthy living. We now distribute the relevant leaflets, StartSmart Parent Guide and the “Little Healthy Fighter and Healthy Living Logbook”. From 16/11 onwards, parents can start the two challenges with children at home for four consecutive weeks. After you have completed, please hand in the logbook to the class mistress on the first day of each week. The teacher will record the information and distribute stickers. Late submission will not be considered.
